## A Techno-Scavenger's Dream

†

**Koronis Rift:** *A Guardian Saucer™ doesn't like the idea of you looting the Ancient treasure.*

Explore the fabled *Koronis Rift.* On a remote backwater planet enveloped in deadly radiation, take part in this daring raid to claim the Ancients' exotic technologies. As a rough and tumble techno-scavenger, you'll contend against hostile alien guards and vanquish them by destroying their powerful base. To survive, you must seize weapons and shields from abandoned Ancient space hulks. The secrets of the Ancients are yours…if you dare.

†

**A Hulk:** *Stuffed with Ancient™ technology and weapons—can you loot it and not be blasted into orbit?*
